Organized by:

JAMNAGAR FACTORY OWNERS' ASSOCIATION

With a vision to promote growth of brass industry in Jamnagar district, the association works to foster unity among industrialists and advocate for beneficial policies for the industry. The association was established in 1948. Today, the association represents over 3,500 active industrialists and has been serving the industry for more than seven decades.

It actively addresses challenges faced by the brass industry at local, state, and national levels, working towards favorable solutions.

The association owns a facility spread over 10,000 sq. ft., which includes an administrative office, conference hall, and an auditorium with a seating capacity of 300. The premises are well-equipped with modern communication facilities.
